**PROTECT YOURSELF IN FIVE WAYS FROM SKIN CANCER**

## **RADIO SCRIPT**

### **MCG 30'**

**VO:** Every year almost 400,000 Australians are diagnosed with skin cancer.  
That's enough people to fill the MCG four times over.

*SFX: huge crowd noise from a packed stadium.*

**VO:** Outdoors, you can't just rely on sunscreen. Protect yourself in five ways with a hat, clothing, shade, sunglasses and sunscreen. Do that to avoid ending up with skin cancer.

**Authorised by the Australian Government, Canberra.**
